How would you consider yourself in the skills above? (Mark which comment best describes you?)

- I'm generally very good with most tasks and know how to do most jobs
- After I look into how to do jobs, I do it myself
- If someone shows me how to do it, I normally can figure it out and can do the job
- I can be helpful but need someone to stay with me as I work through the project
- If you need me to hand you the hammer and whatever that clamping tool is called, I'm your person
