- A Miracle Cut-Out Page, which contain the pieces of the miracle that took place – all easy to cut out and paste!
- A Completed Mock-Up Page, which can either be used as a reference guide for assembling the Miracles of Jesus Page, or as a coloring page for younger kids!

## **SUGGESTIONS FOR EASY CRAFTING WITH KIDS OF ALL AGES!**

The Miracles of Jesus Pack contains fun and easy crafts specially designed for to suite a wide age range of children. However younger children might need a little extra help to make their crafts look great, especially when it comes to using scissors!

You can make craft time more enjoyable for the younger children (and less stressful for yourself) by spending a little more time by preparing the components. Some suggestions include:

- Cut out the Miracle Cut-Out Page components beforehand and put them in plastic sandwich bags. Not only does it keep things organized, but you avoid having pieces go missing!
- Rather than cutting out the Miracle Cut-Out Page components beforehand, or having the younger kids struggle through it, print out the Complete Mock-Up Page as a coloring page!
- For kids who are cutting, place a few small trash cans or buckets around the room, and have the children sit in groups around them. That way, they can easily throw away their paper scraps as they go, leaving less cleanup for you after class!
