IV. It is important that your child’s spiritual education continues, is supported, at home and by you at the Chapel. This can be done by family review, discussion of Sunday School take-home handouts, and by parent/guardian Sunday School session assistance at least once a year including the provision of a snack for that session.

By assisting during Sunday School, it will show your child/children your commitment and continued participation in their spiritual education as well as give you a first hand experience to see your child/children in action.

We ask that a student’s parent/guardian participate in a Children’s Church session at least once a year. Please choose three months (rows) out of the twelve shown in the table below and place a ✓ mark in one of that rows box’s showing your order of preference. You should have only 3 check marks in total. We will do our best to accommodate your preferred choice and contact you to coordinate your specific month and week once all forms are received and processed.
